

Pricing and Plans - TechMart Electronics

Software Subscriptions

TechMart Sync software is available in two subscription tiers to meet different user needs.

The Basic Tier

- **Cost:** \$10 per user, per month (or \$100 per user, per year if billed annually).
- **Target Audience:** Individuals and small teams needing core organization tools.
- **Features:** Includes standard cloud synchronization, unlimited project boards, basic task tracking, and 50GB of cloud storage per user.
- **Support:** Standard email customer support with a guaranteed 24-hour response time.

The Pro Tier

- **Cost:** \$49 per user, per month (or \$490 per user, per year if billed annually).
- **Target Audience:** Power users, growing businesses, and enterprises needing automation and deep insights.
- **Features:** Includes everything in Basic, plus advanced "If-This-Then-That" automation, custom analytics dashboards, role-based access control (RBAC), custom API access, priority integrations (Slack, Salesforce, Zapier), and 1TB of cloud storage per user.
- **Support:** Priority 1-hour email and live chat support, plus access to a dedicated phone support line.
