

Refund Policy - TechMart Electronics

1. Physical Hardware Returns

We want you to be completely satisfied with your TechMart hardware purchase. If you are not satisfied, we offer a straightforward return process.

- **Standard Return Window:** You have 30 calendar days from the date of delivery to return an item for a full refund.
- **Condition of Item:** To be eligible for a full refund, the hardware must be returned in its original, undamaged condition, including all original packaging, manuals, and accessories.
- **Restocking Fee:** Items returned without original packaging or with minor cosmetic damage may be subject to a 15% restocking fee, deducted from the total refund amount.
- **Non-Returnable Items:** Custom-configured hardware, opened in-ear headphones (due to hygiene reasons), and items marked as "Final Sale" are not eligible for returns.

2. Software Subscriptions

Our software subscription refund policies are designed to be fair and transparent.

- **Monthly Subscriptions:** We do not offer prorated refunds for monthly subscription cancellations. When you cancel, you will retain access to the service until the end of your current billing cycle.
- **Annual Subscriptions:** If you cancel an annual subscription within the first 14 days, you are eligible for a full refund. Cancellations after 14 days are not eligible for a refund, but service will continue until the end of the annual term.
- **Accidental Renewals:** If your subscription auto-renews and you meant to cancel, you must contact support within 48 hours of the renewal charge to request a refund.

3. The Refund Process

1. Initiate a return request through your online account dashboard or by contacting customer support.
2. For hardware, you will receive a prepaid return shipping label (for domestic returns).
3. Once we receive and inspect the returned item (typically within 3-5 business days), we will process your refund.
4. Refunds are issued to the original payment method and may take 5-10 business days to appear on your bank statement, depending on your financial institution.
